Q: What type of clothing should I bring?

A: Layered clothing is always best when working in cold temperatures. Layering allows for clothing to be shed as the body warms up during physical activity and allows for layers to be added when it becomes cooler. Warm work gloves, a beanie cap, insulated and waterproof boots, bibs, or coveralls are optional; however, if you are working in the forested area, these items can protect your clothing from damage.

Q: What are the contact numbers during the harvests?

A: You can reach the St. Maries or Highland Flats Farms at 208-245-2365. The Young Living Corporate number is 801-418-8900.
